## NEW CLIENT TESTIMONIAL

Thank you for your effort in resolving my problem within such a short period of time. It is crucial and urgent for me as a new immigrant to have the bank unfreeze of my bank account. I appreciate your professionalism, diligent contribution and value.

My adopted son's I-130 petition was finally approved on Jan 10, 2023 by USCIS. We received the news this morning. This case took more than 6 years to reach a happy ending. I believe this won't happen without the amended court order that you helped us receive. I am writing this letter to express our gratefulness for your help! – Y. N. Lu
